

## **Admissions & Financial Aid Printer Friendly Brochure**

### **Admission:**

**Notice: The school does not knowingly recruit students already attending or admitted to another school offering a similar program of study.**

- 1. Complete an entrance interview with school staff.**
- 2. \* Present a copy of a High School Diploma or a G.E.D., general equivalency diploma.**
- 3. Have picture identification.**
- 4. Present a copy of your Social Security card. Card must be issued in same name of student, i.e., change of names due to marriage.**

**\* This admission requirement does not include locally designed programs in which High School students begin their training before the completion of High School.**

**Students who withdraw from school and wish to re-enroll within one year of their last date of attendance may do so upon payment of a registration fee and tuition based on remaining hours. If returning to school beyond one year from the last date of attendance the student may re-enroll with payment of a registration fee and an additional charge of the tuition difference between the current tuition fees upon re-enrollment and the fees originally charged based on remaining hours. The school reserves the right to evaluate the returning student to determine the level of academic and practical knowledge at the time of return. If, in the opinion of management, the student cannot demonstrate substantially equal knowledge and skill that equates to the students' hours of record upon original withdrawal, the school reserves the right to set the students' hour of attendance to be commensurate with their demonstrated levels of skill. Hours that are adjusted downward may be reclaimed if the student complies with the schools policy on "Credit For Previous Training."**

**We are proud to offer federal financial aid for assistance with tuition to those who qualify; and, we can give you an accurate evaluation of your financial aid eligibility in about 30 minutes, if we have the proper paperwork. A high school diploma or GED is required for financial aid eligibility.**

## **Financial Aid:**

**Lacy Schools are an eligible institution! Lacy Schools is Nationally Accredited by COE.**

**Our school is an eligible institution for various kinds and types of financial assistance. Each Financial Aid program has specific eligibility requirements that must be met in order to qualify for assistance.**

**Applications for Financial Assistance are all done electronically at the school, and students who wish to apply need to provide specific information in order for the school to provide accurate financial aid resources. With the proper information the school can accurately determine the students financial aid resources, on the first visit. This service is complimentary and there is no obligation. All students have the right to apply, but the eligibility of the student and the amount of assistance are determined from the information submitted on the application.**

**Because the Federal Government's fiscal year ends on June 30th, it may be necessary for the student to apply for assistance twice during their training in order to continue to receive aid for the length of their program.**

**To remain eligible for Financial Assistance through the school, the student must be enrolled in good standing. If attendance, academic or practical grades do not meet satisfactory standards, it may be necessary to withdraw or with hold financial aid as required by federal regulation.**

**Any Financial Aid available to the student is applied first to the course costs and any additional funds beyond that, if requested, are issued to the student for living expenses. Financial Aid awards are disbursed by the authorities in two or more payments.**

**We are pleased to assist any applicant through the maze of the financial aid process. By visiting our office, with the proper documents in hand, we can enter your information for you and provide results within a few minutes. This information will provide your answers to how much financial aid from a PELL Grant you are eligible to receive.**

**However, if you would like to begin this process yourself, by clicking on the link below you will be taken to the web site for the U.S. Department of Education, Free Application For Student Aid (FAFSA). There you can fill out an application online and the results will be delivered to us automatically.**

**Our School code is 035133.**

**That number will indicate Lacy Cosmetology School, and your information will be routed to us.**
